Purpose The purpose of this report is to seek approval to enter a Memorandum of Understanding (MoU) with Lancashire County Council for a pilot project relating to hospital discharge.

Reason For Decision To provide a single point of access for people with housing related issues that impact on timely hospital and bed based intermediate care discharge or may result in unnecessary admission to hospital.

To remove barriers, find both temporary and more permanent solutions for people that result in improved environments leading to a positive impact on people's independence, dignity and mental health and wellbeing.
