70. Food Safety Delivery Plan 2023

PURPOSE

The regulatory team responsible for Food Safety must have in place a Service Plan for the Delivery of Official Controls to meet the requirements of statutory guidance. This report formally consults the Committee on the plans prior to their approval at Full Council.

REASONS FOR DECISION

1. The Council has a statutory obligation to conduct a range of food enforcement functions in accordance with the provisions of the Food Safety Act 1990 and a range of regulations made under the Act. 6.
2. The Food Standards Agency's (FSA) "Framework Agreement on Official Feed and Food Controls by Local Authorities" sets out what the FSA expects from local authorities in their delivery of official controls on feed and food law.
3. It is a requirement of the Framework Agreement to produce a service plan for the delivery of official food controls. The Food Safety Service Delivery Plan appended to this report has been prepared to satisfy this requirement.

DECISION

The Executive resolved to **recommend that Full Council approve the Food Safety Service Delivery Plan 2022/2023, detailed at Appendix 1 to the report.**
