71. Health and Safety Delivery Plan 2023

PURPOSE

The regulatory team responsible for Health & Safety at Work enforcement must have in place an intervention plan to meet the requirements of statutory guidance. This report formally consults the Committee on the plans prior to their approval at Full Council.

REASONS FOR DECISION

Section 18 of the Health & Safety at Work Act 1974 and the subsequent National Local Authority Enforcement Code for Health and Safety (The Code) provide frameworks within which the Environmental Health & Licensing Team must operate when carrying out its public protection duties within workplaces. The frameworks require the Council to have plans in place to control these activities, and mechanisms for review. The intervention plan appended to this report has been prepared to satisfy the statutory requirements.

DECISION

The Executive resolved to **recommend that Full Council approve the Health & Safety Delivery Plan 2022/2023, detailed at Appendix 1 to the report.**
