68. Lancashire 2050

PURPOSE

To update Members on the progress in developing the Lancashire 2050 Strategic Framework.

REASONS FOR DECISION

This report presents progress made since January 2022, when the County Council together with Lancashire's 14 District and Unitary Councils considered and supported the proposal to develop a long-term Strategic Plan for Lancashire. It sets out the general principles and high-level priorities contained in a strategic framework for Lancashire, known as 'Lancashire 2050'. This report also sets out the continuing commitment to ensure that there continues to be opportunities for all the partner authorities to contribute to and influence thematic plans, including identifying specific schemes and activities.

DECISION

The Executive resolved to **recommend that Full Council:**

- 1. Endorse the outline Lancashire 2050 strategic framework (Appendix 'A') as the strategic framework that will guide further development of shared detailed priorities and actions with partners and stakeholders across the whole of Lancashire.**
- 2. Agree that the Leader of the Council continues to work with Lancashire Leaders and that the Leader will make representations to that forum on any matters arising from the Council's consideration of this report.**
