AGENDA ITEM 6

Agenda Item 6b

FUL/2021/0135 – Land at former Bull & Butcher Pub, Manchester Road, Habergham Eaves

Correction

Page 40 - the agenda report states that the Parish Council seating area would not be affected by the proposal. To clarify, the seating area would not be affected but part of the grassed area immediately to its north side would be affected due to the new access. This requires the relocation of two parish council plaques and a young tree (see photo below). The applicant has met with the Parish Council and agreed to re-locate the plaques and the tree. The Parish Council will agree with the applicant the exact positions once the new access has been constructed. The Parish Council supports the application.
