10 Notice of Motion-Planning Reform

It was moved by Councillor Scott Cunliffe and seconded by Councillor Andy Fewings that:

“This Council notes:

1) The Government is proposing as part of planning reforms to remove local residents’ rights to object to individual planning applications in their own neighbourhood if the area is zoned for growth or renewal;

This Council believes:

1) That planning works best when the council, developers and the local community work together to shape local areas and deliver, where necessary, new homes and other developments in suitable locations;

This Council resolves:

1) that the CEO will write to the MP for Burnley and the Leader of the House of Commons to urge them to call on the Government to protect the right of communities to help shape planning policies and to comment (including object) to individual planning applications and the details of schemes”.

On being put to the vote the motion was declared to be CARRIED and it was RESOLVED Accordingly

11 Notice Without Motion-Suspension of Standing Orders

It was moved by Councillor Scott Cunliffe and seconded by Councillor Andy Wight:

“To Move A Motion Without Notice under Council Procedure Rule 13 (m), to Suspend Council Procedure Rule (CPR) 11 Motion with Notice, to allow a motion on Anti-Racism to be considered at this meeting.

Thousands of racist comments aimed at black England players were posted online after the Euros 2020 final on Sunday 11th July 2021 with an online petition going live the following day. This did not allow time for a motion to be approved and submitted before the seven working days deadline of 9th July 2021.

It is imperative that this motion is brought to today's Full Council meeting so that it can be passed before the start of the English Premier League season on 14th August 2021. Delaying this motion to the next Full Council meeting at the end of September 2021 would miss an important opportunity to make a strong statement before our town's Premier League team starts the season with full a stadium of fans.

The Anti-Racism motion is as follows;

This Council notes:

- the recent success of the England squad, which if it wasn't for injury would include Burnley FC footballer Nick Pope.
- Burnley Football Club and Burnley supporters swift and effective anti-racism reaction to the “White Lives Matter” banner that was flown by a small group of fans over a Premier League game.
- that thousands of racist comments aimed at black England players were posted online after England's defeat by penalties in the UEFA Euros 2020 Final.
- that an online petition launched by Huda Jawad, Shaista Aziz and Amna Abdul has received over one million signatures from concerned citizens around the country since it was launched after the UEFA Euros 2020 Final on Sunday 11th July 2021.

This Council believes:

- that all forms of racist abuse are unacceptable and that any individual found guilty of online or offline racism should receive a ban for life from all football games in England.

- places with Premier League Clubs, like Burnley, need to lead from the front in a zero tolerance approach.
 - that Burnley FC, the Football Association and the Government should work together now to ban all those who carry out racist abuse, online and offline, from all football matches in England for life.
- This Council resolves:
- that the Chief Executive will write to Burnley Football Club and The Football Association urging them to continue to work together with the government to enforce life time bans for fans found guilty of racist abuse.
 - that the Chief Executive will write to the MP for Burnley and the Leader of the House of Commons to urge them to call on the Government to enforce life time bans for fans found guilty of racist abuse`.

On being put to the vote the Motion was declared to be LOST and it was RESOLVED Accordingly

After the resumption of the debate, it was moved by Councillor Cosima Towneley and seconded by Councillor Karen Ingham (Motion Without Notice CPR 13 (i)) "that the question be now put".
