PURPOSE

To amend officer Council and Stakeholder representation on the Housing Joint Venture Contract Outside Body to reflect recent changes in Senior Management Team responsibilities.

REASONS FOR DECISION

1. Recent changes to roles and responsibilities following the Senior Management Team review mean that it is now timely to review officer representation on this Outside Body.
2. The Housing Joint Venture Contract is one of a small number of Outside Bodies to which the Executive appoints, rather than Full Council.

PURPOSE

To consider the case for making an Article 4 direction to remove the permitted development rights that allow the change of use of a single dwelling house into a small house in multiple occupation (HMO), subject to consultation set out in paragraph 31 of the report.

REASONS FOR DECISION

1. The Houses in Multiple Occupation and Small Flats Supplementary Planning Document (SPD) 2022 highlighted that, should the need arise, the Council could consider an Article 4 direction to better manage the creation of small HMOs and their impacts on the amenity of certain areas. It is demonstrated in Appendix A to the report that there is a need to implement an Article 4 direction.
2. In accordance with the statutory requirements, a further report will be brought back to the Executive to consider the outcome of the consultation and to determine whether to confirm the Article 4 direction.

DECISION

The Executive resolved to:

1. Approve the making of a non-immediate Article 4 direction to remove permitted development rights for changes of use from individual dwelling-houses to smaller houses in multiple occupation, with 12 months' notice, in line with the details set out in the background report, to be consulted on as per paragraph 31 of the report.
2. Authorise the Director of Economy and Development to prepare the necessary documentation and carry out consultation as required by the Regulations and set out in paragraph 31, prior to the confirmation of an Article 4 direction.

2. Recommend to Full Council approval of the latest revised net budget of £16.267m as shown in Table 1.
3. Recommend to Full Council approval of the net transfers from earmarked reserves of £4.972m as shown in Appendix 2.

42. Capital Budget Monitoring Report Q1 2023-24

PURPOSE

To provide members with an update on capital expenditure and the resources position along with highlighting any variances.

REASON FOR DECISION

To effectively manage the 2023/24 capital programme.

DECISION

The Executive resolved to:

1. Recommend to Full Council approval of net budget changes totalling a reduction of £1,235,466 giving a revised capital budget for 2023/24 totalling £39,190,265 as detailed in Appendix 1.

DECISION

The Executive resolved to:

1. Note the treasury management activities undertaken during the period 1 April to 30 June 2023.
2. Recommend that Full Council endorse the quarterly update on the Treasury Management Strategy 2023/24 in compliance with the requirements of the Chartered Institute of Public Finance and Accountancy's (CIPFA) Code of Practice on Treasury Management.

PURPOSE

1. To update the Executive on the latest position regarding balancing the Council's 2024/27 revenue budgets.
2. To outline proposed savings for recommendation to Full Council.

REASON FOR DECISION

To progress the preparation of the Council's 2024/25 revenue budgets.

DECISION

The Executive resolved to:

1. Note savings approved at previous Full Council meetings totalling £23k to assist in balancing the 2024/25 revenue budget (see Appendix 1).
2. Recommend for approval at Full Council further proposed savings totalling £255k to assist in balancing the 2024/27 revenue budgets (see Appendix 1).

45. Council Tax Support Scheme Consultation

PURPOSE

To seek approval to commence a public consultation on the plans to temporarily revise Burnley Borough Council's Council Tax Support Scheme for 2024/25 and 2025/26.

REASON FOR DECISION

To consult on the provision of temporary support, by increasing the level of subsidy for working age claimants within the Council Tax Support Scheme up to a maximum of 95% for 2024/25 and 90% for 2025/26, to help alleviate some of the financial hardship caused by the cost-of-living crisis.

DECISION

The Executive resolved to:

1. Approve a statutory consultation of the Local Council Tax Support Scheme in accordance with Schedule 1A of the Local Government Finance Act 1992 and the Local Government Finance Act 2012 (as mentioned).
2. Consider and approve for consultation a temporary revision to the Council Tax Support for the two forthcoming financial years (2024/25 and 2025/26) as set out in this report.
3. Delegate authority to the Director of Resources to undertake the statutory consultation.
4. Note that the consultation will run for an 8-week period which is expected to commence on 25th September 2023 and will guide the final recommendations to be placed before Full Council in February 2024 for the approval of a temporary revision to the Council Tax Support Scheme for 2024/25 and 2025/26.

46. Exclusion of the Public

Members determined to exclude the public from the meeting before discussion took place on Minute 47 [Agenda item 17] on the grounds that in view of the nature of the business to be transacted if the public were present there would be a disclosure to them of exempt information within the meaning of Schedule 12A of the Local Government Act 1972.

47. Building Control IT Procurement

PURPOSE

To seek approval to procure a new IT system for the building control service.

REASON FOR DECISION

Investment is required to improve the service's digital offering to customers and to increase service efficiency.

ASSET & DEVELOPMENT MANAGEMENT SERVICES - CHARTER WALK

PURPOSE

1. To seek approval for re-letting the tender for asset and development management services at Charter Walk, Burnley.

RECOMMENDATION

2. That the Executive authorises:
 - a. advertising the tender for asset and development management services at Charter Walk, Burnley;
 - b. delegating to the Director of Resources (in consultation with the Director of Economy & Development) authority to accept the most economically advantageous tender;
 - c. delegating to the Head of Legal and Democratic Services authority to complete an Asset Management Agreement with the successful tenderer.

REASONS FOR RECOMMENDATION

3. An Asset Management Agreement with a commercial asset management company is an essential part of the effective management of a shopping centre. The current agreement expires on 21st March 2024 and a new Asset Management Agreement is required from 22nd March 2024.

SUMMARY OF KEY POINTS

4. The Council purchased Charter Walk in October 2021 and entered into an Asset Management Agreement with the existing asset management company. The Council re-tenders the essential services at Charter Walk on a regular basis in order to ensure quality service provision at a competitive price, in accordance with Standing Orders. The tender for the day-to-day property management services at the centre was re-let six months ago. The Asset Management Agreement, which deals with the overarching management of Charter Walk at a strategic level, was extended until March 2024 to cover the transition period. The tender for asset and development management

services now needs to be advertised and a new Asset Management Agreement completed to come into effect when the existing arrangements expire.

5. The Council is seeking to appoint an experienced asset and development management services company to manage the strategic direction and maximise the performance of Charter Walk. The asset management company will have a close working relationship with the property management company already in place and will work with the Council in managing its investment in Charter Walk. It is envisaged that the Asset Management Agreement will be for a five-year period.

FINANCIAL IMPLICATIONS AND BUDGET PROVISION

6. Fundamental to the success of Charter Walk, and maintaining and growing income in the long term, is the appointment of an asset management company that provides quality asset management and development services. Experience, proven track record and investment proposals will therefore have a very high weighting in the evaluation of bids to sufficiently reflect the Council's requirements.

Gating Public Space Protection Order

REPORT TO THE EXECUTIVE

DATE	25/10/2023
PORTFOLIO	Community Services
REPORT AUTHOR	Richard Brown
TEL NO	01282 475819
EMAIL	rbrown@burnley.gov.uk

PURPOSE

1. To seek approval to extend the Borough-Wide Public Spaces Protection Order (PSPO) covering all alleygate schemes under s60 Anti-Social Behaviour, Crime and Policing Act 2014.

RECOMMENDATION

2. That authority is granted:
 - (1) To extend the PSPO to manage all current and future applicable alleygate schemes in the Borough for a further 3 years.

REASONS FOR RECOMMENDATION

3. To ensure that the 133 schemes covered by the Order continue to operate legally, the PSPO must be extended.
4. As the gating program approaches its twentieth year, gating remains popular amongst both existing and prospective scheme holders. The current consideration list stands at over 80 applications from across the borough, and each year new applications are received.

SUMMARY OF KEY POINTS

Background of Alleygating

5. There are currently 178 alleygate schemes in Burnley which have been established under differing forms of legislation. While there are 133 schemes managed under the PSPO,

45 are classed as 'old style' and were put in place using highway closure orders. These schemes do not come under the gating PSPO.

Streamlined approach to Gating

6. In 2019, following work conducted by a pan-Lancashire officer group looking at best practice in managing the legal aspect of Gating under PSPO legislation, there was a consensus across districts that a single order to streamline the gating project the way forward.
7. Every scheme that had been established under the Clean Neighbourhoods and Environment Act 2005 or subsequently as a separate PSPO using the ASB, Crime and Police Act 2014 is incorporated under the proposed Order.
8. New schemes added to the order via the Council's annual gating program are still subject to the same crime and anti-social behaviour criteria, application and consultation processes, and requirements as before.

Continued management of Alleygating schemes

9. This amendment has not affected the day to day management of alleygate schemes.
10. A review has also been undertaken in 2023 to improve community engagement at the ward level to assess good practice and compliance. It is also the intention of this work stream to identify failing schemes and to look to utilise this resource elsewhere.

FINANCIAL IMPLICATIONS AND BUDGET PROVISION

11. There are no additional budgetary implications associated with the proposed recommendations. Should approval be granted the changes will be met by existing operational budgets.

POLICY IMPLICATIONS

12. The current Alleygate Policy will be amended to reflect the change in process.

DETAILS OF CONSULTATION

13. Public notification through Council Website.
14. Police and Crime Commissioner for Lancashire
