All remaining monies (£47k) need to be re-profiled into 2017/18 to enable us to complete the essential work next financial year, in particular to the River Brun in Bank Hall which has got progressively worse and is now close to full collapse.

Energy Efficiency	60,669	27,968		88,637	42,464	48%	73 grants have been approved totalling £54,739. The Council has again been successful in bidding for Affordable Warmth funding from Lancashire County Council, this funding is to ensure vulnerable residents have adequate heating in their homes.
Empty Homes Programme	1,250,000		(300,000)	950,000	555,149	58%	At the beginning of the financial year it was predicted that the Council would pay compensation/acquisitions costs to the owners of 12 properties. So far, only one owner has claimed the compensation. Despite this, 11 empty properties have vested into the councils ownership. The renovation target of 10 will be met with 7 already complete and a further 3 completing before the end of the year. The lack of compensation claims from owners will mean that £100k of committed resources will require slipping into 2017/18. In addition, £200k from this budget will be utilised to support housing development in Padiham.
Interventions, Acquisitions and Demolitions	441,086			441,086	86,550	20%	Part of this budget is used to fund outstanding compensation claims from completed demolition projects. In addition, an environmental scheme on Accrington Road has been completed. The £250k that had been committed for the Perseverance Mill site will be rolled forward into 2017/18 programme and be replaced in 2016/17 with a contribution to support housing redevelopment in Padiham.
