**Pay Policy Statement 2021**

**PURPOSE**

1. To seek approval for the Council's Pay Policy Statement which is required to be published prior to the end of March each year.

**RECOMMENDATION**

2. That Full Council
  - approves this report and the attached Pay Policy Statement for 2021/22;
  - notes the Council's Gender Pay Gap report which is at Appendix H of the Pay Policy Statement

**REASONS FOR RECOMMENDATION**

3. The Localism Act 2011 – [Chapter 8 - Pay Accountability], requires all local authorities to set out its position on a range of issues relating to the remuneration of its employees. The Pay Policy Statement must be approved by the Council in open forum, by the end of March each year and then be published on its website.

**SUMMARY OF KEY POINTS**

4. The Pay Policy Statement sets out the existing approach to the remuneration of all posts within the Council. In particular it specifies certain mandatory requirements that must be detailed within the Statement. This refers to:
  - the pay structure of the Council and how it is set;
  - Senior Management Remuneration, providing details of the pay grade for posts defined as Chief Officer and the accompanying allowances;
  - the recruitment arrangements for a Chief Officer;
  - the relationship between the salaries of Chief Officers and other employees;
  - details of the lowest paid posts within the Council;

- employer's Pension Contribution details;
  - termination of employment payments.
5. The Localism Act includes five key measures that underpin the Government's approach to decentralisation, these being; Community rights, Neighbourhood Planning, Housing, General Power of competence and empowering cities and other local areas.
  6. The purpose of the Pay Policy Statement (PPS) is to ensure there is transparency on how pay and remuneration is set by the Council, for all of its employees and particularly for its most senior level posts.
  7. The Statement is reviewed annually and approved by Full Council prior to the end of March each year. National pay negotiations on pay rates for 2021 are yet to be agreed and are not incorporated into the Statement.
  8. The pay ratio of the lowest paid to the Chief Executive is 6.0 (6.0 in 2020/21) and the ratio of the lowest paid to the Chief Officer is 3.6 (3.6 in 2020/21).
  9. The Council considers it is important that a balance is struck to ensure it rewards managers appropriately for their responsibilities and to ensure it retains and attracts talented senior officers. The Council's head of service structure is 7 FTE posts. All head of service posts were reviewed and job evaluated in 2017 and salaries benchmarked by external independent advisers. Job evaluations are updated as roles change.
  10. The Restriction of Public Sector Exit Payments Regulations 2020 have introduced a cap on the total value of exit payments in the public sector of £95,000. The MHCLG Regulations which make further changes to the LGPS scheme are still awaited and are expected by Spring 2021 although no firm date has been given. Council policies and procedures will be updated accordingly once the full implications of the regulations are known.
  11. The updated Statement complies with the guidance issued by the Department of Communities and Local Government in Spring 2013.
  12. In addition to the Pay Policy Statement the Equality Act 2010 (Specific Duties and Public Authorities) Regulations 2017 requires public sector organisations with 250 or more employees to publish information to demonstrate how large the pay gap is between their male and female employees. The data is calculated according to the requirements of the Equality Act 2010 and is based on the Council's workforce on 31<sup>st</sup> March each year.

At 31<sup>st</sup> March 2020 our workforce comprised of 56% male and 44% female employees. For the purposes of reporting the gender pay gap, all permanent and temporary employees are included in the total workforce figure of 210. The Council has decided to continue to report on the Gender Pay Gap although its workforce is less than 250.

The gender pay gap is different to equal pay. Equal pay relates to men and women receiving equal pay for equal work. Not meeting this requirement is unlawful. The Council operates job evaluation schemes to ensure that work of equal value is paid at the same rate.

The gender pay gap is a measure of any disparity in pay between the average earnings of

males and females. The Council's mean pay gap is 2.68% and the median pay gap is -0.55%. The negative value means that, based on the calculations required for the median Gender Pay Gap, our female employees are paid more than male employees. At 31<sup>st</sup> March 2019 the figures were mean -0.19% and median -3.76%. Both figures are below the national average, which are currently 16.3% and 17.4%.

Latest figures suggest that the median gender pay gap across the public sector is 16.8% and the figure across all industries in Lancashire is 20.6% with Burnley at -0.20%. The Council compares favourably with these statistics.

The Council will continue to apply its flexible working policies, anonymised recruitment processes, talent management and promote other learning and development programmes to ensure all employees have equal access for career development.
