INTRODUCTION

1. SCOPE AND RESPONSIBILITY

- 1.1 Burnley Borough Council is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively. Burnley Borough Council has also a duty under the Local Government Act 1999 to make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy, efficiency and effectiveness.
- 1.2 In discharging this overall responsibility, Burnley Borough Council is responsible for putting in place proper arrangements for the governance of its affairs; facilitating the effective exercise of its functions, which includes arrangements for the management of risk.
- 1.3 Burnley Borough Council has approved and adopted a Code of Corporate Governance, which is consistent with the principles of the CIPFA¹/SOLACE² Framework *Delivering Good Governance in Local Government*. A copy of the code is on our website at:

2 THE PURPOSE OF THE GOVERNANCE FRAMEWORK

- 2.1 The Governance Framework comprises the systems and processes, and culture and values, by which the authority is directed and controlled and its activities through which it accounts to, engages with, and leads its communities. It enables the council to monitor the achievement of its strategic objectives and to consider whether those objectives have led to the delivery of appropriate services and value for money.

- 2.2 The system of internal control is a significant part of that framework and is designed to manage risk to a reasonable level. It cannot eliminate all risk of failure to achieve policies, aims and objectives and can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of Burnley Borough Council's policies, aims and objectives, to evaluate the likelihood and potential impact of those risks being realised, and to manage them efficiently, effectively and economically.
- 2.3 The Governance Framework has been in place at Burnley Borough Council for the year ended 31st March 2021 and up to the date of approval of the Annual Statement of Accounts.

3. THE GOVERNANCE FRAMEWORK

- 3.1 The key elements of the Council's governance arrangements are outlined in the Local Code of Corporate Governance. Some of these features of the Governance Framework are explained in the following paragraphs.
- 3.2 The **Strategic Plan** sets out the contribution we will make to enabling communities in Burnley to thrive now and in the future. The Strategic Plan is linked to the revenue and capital budget, ensuring that the aspirations in the plan are realistic in the context of the funding constraints placed on the Council. The Strategic Plan is reviewed on an annual basis. The review takes account of **feedback** from surveys conducted with the public in Burnley.
- 3.3 Delivery of the Strategic Plan is supported by **Service Plans** and individual's **Performance Development Reviews**. These include competencies, targets and, where appropriate, service standards against which service quality and improvement can be measured. Officers attend staff conferences and participate in job chats amongst other means to keep informed of organisational and service development.
- 3.4 Burnley Borough Council's **Constitution** sets out how the Council operates, how decisions are made and the procedures that are followed to ensure that these are efficient, transparent and accountable to local people. It establishes the roles and responsibilities for members of the Executive, Regulatory and Standards Committees, together with officer functions. It includes the Scheme of Delegation, codes of conduct and protocols for member/ officer relations. The Constitution is regularly reviewed to ensure that it continues to be fit for purpose.
- 3.5 The Constitution also contains **procedure rules** including, Standing Orders and Financial Procedure Rules that define how decisions are taken and where authority rests for decision making. The **statutory roles** of Head of Paid Service, Chief Finance Officer and Monitoring Officer are described together with their contributions to provide robust assurance on governance and that expenditure is lawful and in line with approved budgets and procedures. The influence and oversight exerted by the Head of Paid Service (the Chief Executive) and the Chief Finance Officer (Head of Finance and Property) is backed by the post-holders' membership of the Management Team.

- 3.6 The **Chief Financial Officer** (CFO) has responsibility for the proper administration of the Council's financial affairs. This includes responsibility for maintaining and reviewing Financial Procedure Rules to ensure they remain fit for purpose and submitting amendments to Full Council for approval. The Chief Financial Officer is also responsible for reporting, where appropriate, breaches of the Rules to the Executive and/or the Council. The Chief Financial Officer reports directly to the Chief Operating Officer.
- 3.7 The role of the CFO has been defined by CIPFA in its document titled, 'The role of the chief financial officer, in Local Government'. The Council's financial management arrangements conform to these governance requirements, and this is explained in the constitution.
- 3.8 The Head of Finance and Property fulfils the role of **Head of Internal Audit**. This includes championing best practice and assessing adequacy in governance, management, and risk, providing an opinion on these aspects, and leading an effective Internal Audit service.
- 3.9 The **Full Council** and the **Executive** are the decision-making bodies of the Council. **Regulatory Committees** including Development Control and Licensing Committees undertake decisions delegated to it under the Constitution. The Council's **Scrutiny Committee** works to improve service delivery and to review the Executive decisions. The **Audit and Standards Committee** oversees the review of the Council's audit and governance arrangements and the production of this statement.
- 3.10 In recognition of the exposure to fraud, the Council has adopted an **Anti-Fraud Bribery and Corruption Policy** which is part of the Constitution. This is relevant to all members, officers and its partners. Fraud risks are considered as part of strategic and service risk management. Fraud awareness training is made available to further raise awareness of the matter.
- 3.11 To complement the anti-fraud policy, Council has a **complaints procedure** and a **whistle-blowing policy** that is maintained and regularly reviewed, which provide the opportunity for members of the public and staff to raise concerns when they believe that appropriate standards have not been met. The **Audit and Standards Committee** is responsible for overseeing the investigation of complaints against members and promotion and maintenance of high standards of conduct in the authority.
- 3.12 The Council has an embedded **risk management** function. The Risk Management Policy and Strategy are reviewed regularly. The Risk Management Group draws together risk issues from across the authority to ensure that issues and concerns are shared and that a consistent approach is adopted throughout the organisation.
- 3.13 **General Data Protection Regulation** (GDPR) came into force in May 2018. It is recognised that the regulation does present a significant risk to the Council, however controls and measures are in place. While significant, the risk is considered acceptable at this time.
- 3.14 **Training** needs of members and officers are identified through appraisal and review processes. Appropriate training is made available to staff to ensure that individuals are

able to undertake their present role effectively and that they have the opportunity to develop to meet their and the Council's needs. All newly elected members undertake an induction programme so that they can make an effective contribution to the work of the authority. Elections did not take place in 2020-21 due to the pandemic. Specific committee training is given to members so that they may discharge their responsibilities more effectively along with general member development training such as on finance and conduct. The Council is committed to continue to embed best practice within our organisational development and Health and Wellbeing work.

- 3.15 The Council is committed to **partnership** working. The Strategic Partnerships with Urbaser, Liberata and Burnley Leisure will ensure that vital services will continue to be delivered in these financially challenging times. The **Burnley Bondholders** work to promote Burnley in the region and wider area.

Impact of the Covid-19 Pandemic

- 3.16 In February 2020, the Council activated its business continuity plans and adopted approaches to maintain critical business activities. A Business Response Group was formed between the Council and some of its partners. Regular meetings have been taking place.
- 3.17 The Council quickly engaged with Lancashire Resilience Forum and followed the national guidelines for local authorities.
- 3.18 **Community Recovery Strategy** was produced and this states how the council and its partners will meet the challenges of the pandemic and will build on the opportunities it has created.
- 3.19 Amongst the changes were provision of emergency accommodation for the Homeless, making arrangements for a community Hub (including volunteers and partner organisations and food banks), preparing for increased demand on bereavement services and the funding for the local economy through the Business Support Grants scheme.
- 3.20 The organisation managed a rapid transition to home working for the majority of staff and redeployment for those who could not carry out normal duties (including work with the Community Hub). Some services were closed or adapted to comply with national guidelines.
- 3.21 Committee meetings and other meetings have taken place remotely.

THE EFFECTIVENESS OF THE GOVERNANCE FRAMEWORK

4. REVIEW OF EFFECTIVENESS

- 4.1 Burnley Borough Council has responsibility for conducting, at least annually, a review of the effectiveness of its Governance Framework, including the system of internal control. The review of effectiveness is informed by the work of the Management Team, who have responsibility for the development and maintenance of the governance environment, the Head of Internal Audit's annual report and also by the findings and reports issued by the external auditors.
- 4.2 Burnley Borough Council's Internal Audit section, via specific responsibility assigned to the Head of Internal Audit, is required to provide an annual independent and objective opinion to the Authority on its risk management, governance and control environment. The Head of Internal Audit's report for 2020/21 concluded that the Council's internal controls continue to operate effectively.
- 4.3 The review of compliance with the Governance Framework has involved:
- Heads of Service and key officers (Chief Finance Officer, Monitoring Officer and Health & Safety Officer) providing signed Assurance Statements to Management Team. These have been supported by a control and risk self-assessment questionnaire and were collated by Internal Auditors.
