SUMMARY OF KEY POINTS

4. The production of an Annual Governance Statement is a statutory requirement of the Council. In March 2017 the Audit Committee was informed that the Annual Governance Statement would be produced in accordance with proper practice using guidance from CIPFA (Chartered Institute of Public Finance and Accountancy) and SOLACE (Society of Local Authority Chief Executives).
5. All Heads of Service and key officers have provided signed Assurance Statements to the Chief Operating Officer. These have been supported by a control and risk self-assessment questionnaire. The Chief Operating Officer has considered these statements and also signed an Assurance Statement to the Chief Executive. All Executive Members and Chair of Scrutiny were asked to complete a self-assessment questionnaire and provide a signed Assurance Statement to the Leader of the Council.
6. The strategic partner, Liberata is also required to submit a Certificate of Assurance covering the services they provide on behalf of Burnley Borough Council. This has been received and no issues have been reported.

8. This process allows the identification of the key elements of governance and internal control for incorporation into the Annual Governance Statement and is designed to assist the identification of significant control and governance issues. Minor weaknesses in governance have been identified and actions to address these issues have been put in place.
 9. Management Team have reviewed the Annual Governance Statement following its revision on the advice of external audit. The Statement has been signed by both the Council Leader and the Chief Executive as the final assurance to the public. These signatures have been updated once again in July to be presented alongside the externally audited Statement of Accounts 2016/17.
 10. This will be reviewed and revised as further guidance is received from CIPFA.
