**Cultural Services**

Cultural Services is responsible for the operation and management of the Mechanics Theatre. Awarded Lancashire Tourism's 'Cultural Venue of the year' accolade in 2016 for the dynamic approach the team has undertaken to develop the cultural offer and reach over the last three years. The team is keen to build and develop on this work. The circa 500 seated auditorium facilitates large scale performances, arts and hospitality events. The building hosts a large number of performances by local societies including musical theatre, dance and pantomime, as well as corporate awards and hospitality. Hospitality and conferencing is increasing annually anchored by the Christmas Events programme which is eagerly anticipated by our customers and is virtually sold out nine months in advance on reputation alone. The recently developed Front Room space provides the theatre with a space for niche and community programming opportunities as well as hosting the Bistro that goes from strength to strength with many repeat visitors.

As well as managing the theatre, Cultural Services have a vibrant arts development offer. Delivered through partnership, arts development provides a service of advice and support and monitoring on behalf of the Council as well as develops opportunities for community engagement and professional artist networking and development.

**Up and Active**

Up & Active is an East Lancashire wide obesity prevention service funded by the public health arm of Lancashire County Council. The aims of the service are to improve health outcomes and reduce health inequalities, by providing opportunities for physical activity and weight management support.

The Up & Active team take an integrated and innovative approach to preventing and managing overweight and obesity, physical inactivity and its associated conditions by providing various programmes that focus on diet, physical activity and behaviour change. Access to both weight management and physical activity programmes is via self-referral and referral from health professionals and is delivered in leisure facilities and community venues. Further benefits to clients aside from increasing activity levels include community involvement, helping people to socialise and through collaborative working with facilities management, providing affordable access to leisure facilities.

In addition, the service works with a wide range of partners and provides Cardiac Rehabilitation, a client centred programme that improves lifestyle and reduces hospital re-admissions, Smoking Cessation treatment for smokers who wish to quit, Workplace Wellness that encourages people to make healthier choices both in and outside the workplace, a Healthy Schools programme that gives primary school children simple and effective practical advice on how to eat healthily and become more active to maintain optimum health in childhood, and avoid adult ill health. **OBJECTIVES AND ACTIVITIES (CONTINUED)**

**Sport and Play Development**

The Get in2 team is responsible for a growing number of community based projects, aimed at improving opportunities for targeted groups to take part in sport and physical activity. Examples of current programmes include the successful Get in2 Rounders project, which has seen adult participation in the game grow from just a handful of women to well over 400 women playing every week; Couch to 5k with Burnley Athletic Club; the Girls Up and Active project, working in partnership with Calico; and Active Streets, a Big Lottery funded scheme developing training and employability skills, plus diversionary activities, alongside sport.

The Get in2 team works closely with the School Sports Partnership to deliver high quality sports coaching in all Burnley primary schools; whilst during school holidays the team provide the hugely popular Get in2 Holiday Camps, which are now available at Prairie Sports Village, as well as St Peter's Centre.

The team also runs the boating lake in Thompson Park, providing rowing boats, kayaks and pedalos during the summer months, plus an expanding programme of park based outdoor activity sessions that are popular with schools, Cubs and Brownies and private groups.

**Leisure Facilities**

The Leisure Facility Operational team operate an ever growing number of diverse leisure, event and sporting facilities; at St Peter's Leisure Centre, Padiham Leisure Centre and the Prairie Sports Village. More recently we started to operate the three golf courses and club shop at Towneley Golf Course in April 2017.

We have successfully grown our core fitness business despite increasing competition from the budget gym sector and also increased income and usage from our comprehensive swimming and coaching programme.

Since the Prairie Sports Village was opened, we have had a successful first year developing new areas of business with the golf driving range and golf coaching. The Bistro and wider hospitality has grown rapidly to become an important part of the business with more potential to grow. We have a growing reputation as a top class venue for business networking events and seminars.

We have been consistent in our quality of delivery, winning seven National Fitness Awards and also finalists in the 2017 Lancashire Business Awards. To complement our facilities we have a developing events programme with the Burnley 10k race and Aquathlon now a yearly event with plans to develop this further.

We have exciting plans to develop the golf courses with some innovative programming including Foot Golf that will launch for the first time in Burnley in June 2017.

We are proud of our ongoing staff development programme, regularly holding team meetings tied in with team building activities including everyone in developing the business. Our sickness and absenteeism is at an all-time low, complemented by high staff morale. We have been commended on our forward thinking marketing campaigns and activity including our social media growth and development and we continue to develop this area of the business to its full potential. The team have also been successful in developing partnerships both locally and nationally with, UK Active, Amateur Swimming Association, Simply Classic, Active Network, Alliance Leisure, Zags swimming, Lloyd BMW/MINI.

**Public benefit**

The trustees are confident that the charity offers services of real and practical use to the local population and therefore complies with the responsibility placed on all charities under the Charities Act 2011 to demonstrate a public benefit.

## **ACHIEVEMENTS AND PERFORMANCE**

### **Cultural Services**

There have been some wonderful achievements in the last year. As always it is important to recognise that none of this would have been possible without the time and dedication from staff. The Staff at the Mechanics work as a team and have an un-floundering focus on quality customer experience be that our audience, our hirers, or visiting shows. As a result, the team have now received over 120 \*5 reviews on Facebook with feedback commending the staff, the programme as well as the environment, it has been a busy year with many sell out shows, successful conferences and awards celebrations promoted and delivered. The quality deliver is consistent but not at all taken for granted.

### Arts Development

The Creative alliance network has been reinvigorated. A successful network meeting was well attending in February 2017 supported by arts council and even some successful G4A's have been achieved by individual artists off the back of the surgeries. The Creative Alliance now has a steering group who meet regularly are supporting each other's ideas and planning some collective work.

The Thompson Park project "Our Park, Our Town Our Time" has been successfully delivered culminating in a fashion show that took place in the park last summer. The project supporting 13 students to gain arts awards (4 Bronze, 6, Silver and 3 Gold).

Mechanics at Home project has been signed off and evaluated both independently and nationally. Both evaluations recognised that time, compassion and development of trust are key elements to successful engagement of hard to reach communities. They also recognised that the project had some really positive outcomes in terms of community participants increasing in confidence and subsequent ambition. The Craft group and the cinema group established through this project have gained additional funding and carry on as a legacy of this project.

The First Mechanics summer school was delivered in the basement with really positive feedback from participants.

### Mechanics

The Mechanics were awarded Cultural venue of the year 2016 by Marketing Lancashire in November. The team were applauded for their passion and professional presentation, outlining all the positive developments that have been achieved since we became a trust.

Heritage lottery Resilience grant funding was achieved and has enabled a period of research, planning and review, of the Mechanics building, its physical condition, its historic significance and potential development opportunities. Work has increased in terms of raising awareness about the 160 history of the building; we ran our first heritage open day tours in September. This work continues into the next year to inform the next funding application.

The Mechanics Bistro clientele are consistently returning and consequently we are building relationships with our customers. We are starting to see more stability in terms of bookings too. It was deemed as too soon to stretch Classic resources in opening on a Saturday during this year, but is programmed for the next financial year.

With support for Sports Development External Grant advice we were successful in an Awards For All application and a volunteering programme for the Mechanics has been established.

The MAP's project has helped to establish a front room programme, supported by a group of community promoters. Although starting from a small base, audiences for this programme have slowly started to grow and we are seeing repeat attendances.

The Basement has new regular hirers, which include baby ballet on a Sunday and a dance class on a Monday night. We don't want to develop this too much as the plans for the Basement are still not set however they are a useful income stream, and bring different people into the building in the meantime.

**Up and Active**

A year of amazing achievements which has seen our committed team provide countless opportunities for individuals to become more active and lose weight. The membership has grown from strength to strength and recently boasted it's 10,000 registrations; a major achievement in one year.

The work of Up & Active has cut across the whole life course of communities, families and workplaces, resulting in new projects and programmes. The teams' knowledge and experience in Public Health has supported our healthy settings approach, which has seen the service work in a whole range of settings, including, primary schools and colleges, workplaces, community venues and medical centres.

We have also continued to develop working in leisure facilities; this has provided the opportunity to embed our work within the leisure trust and to also add to our charitable status. Working alongside leisure centre staff has seen Up & Active self-referrals continue to use leisure facilities either by 'pay as you go' or convert to become members, to maintain positive changes to their health and wellbeing.

The Healthy Schools programme is an obesity prevention programme that makes specific links to key stage 2 national curriculum subjects. Lesson plans have been developed to compliment taught subjects such as PE, science & PSHE. The programme has proven popular and is showing some very good results, with excellent feedback from all 17 schools and parents/children.

**REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 31ST MARCH 2017**

**FINANCIAL REVIEW**

The attached statement of financial activities shows how our funds were raised and applied during the year.

This statement separates funds, which the charity itself controls – unrestricted funds, from funds which have to be spent in a manner determined by the donor – restricted funds. In this year restricted funds have been received from various grant making bodies.

This was the third year of operation for the charity, therefore it is now possible to compare the income and expenditure against historic information.

Looking to the future we will continue to maintain a tight control over costs, monitor income closely, and strive to identify future funding streams. We aim to ensure that we are well placed to react to any further negative or indeed positive impact of the economy.

**Investment policy**

The Trustees regularly monitor the available cash reserves of the charity and seek to maximise the interest earned on such funds.

**Reserves policy**

The charity has insufficient reserves to ensure that it can deal with major unexpected adverse developments without direct support from Burnley Borough Council. The trustees maintain a regular dialogue with council to ensure that, should major unexpected adverse developments arise, any difficulties that require attention are addressed in a mutually agreeable manner.

The trustees are confident that the charity has established diversity of operations, sufficient versatility and control of expenditures of such nature that it is able to adapt to changing circumstances that will arise from time to time under normal business circumstances.

The trustees have considered the current adverse economic climate when reviewing their reserves policy and are confident, in light of the changes planned that the charity is sufficiently robust and able to continue operating normally whilst it seeks to achieve these targets.

At the year end the charity had unrestricted reserves of £133,199 and restricted reserves of £138,516. In addition to these reserves the pension scheme was in deficit by £2,102,000.

Under that law the trustees have elected to prepare the financial statements in accordance with the United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 102 the Financial Reporting Standard applicable in the UK and Republic of Ireland. The financial statements are required by law to give a true and fair view of the state of affairs of the charitable company and of the surplus or deficit of the charitable company for that period. In preparing those financial statements, the trustees are required to

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. **REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF  
BURNLEY LEISURE  
(A COMPANY LIMITED BY GUARANTEE)**

---

We have audited the financial statements of Burnley Leisure for the year ended 31<sup>st</sup> March 2017 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland.

This report is made solely to the charity's members as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's trustees those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

**Respective responsibilities of trustees and auditors**

As explained more fully in the Statement of Trustees Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

**Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the charitable company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Report of the Trustees to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

**Opinion on financial statements**

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31<sup>st</sup> March 2017 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Opinion on other matter prescribed by the Companies Act 2006**

In our opinion the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements.

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF  
BURNLEY LEISURE  
(A COMPANY LIMITED BY GUARANTEE)**

---

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemptions from the requirements to prepare a Strategic Report or in preparing the Report of the Trustees/Directors.

## **1. ACCOUNTING POLICIES**

### **Company information**

Burnley Leisure is a charitable company limited by guarantee, incorporated in England and Wales. The company number and registered office can be found in the Trustees report.

### **Basis of preparing the financial statements**

The financial statements have been prepared in accordance with applicable accounting standards.

The financial statements have been prepared on a going concern basis which assumes that the company will be able to meet its liabilities as they fall due. The related party, Burnley Borough Council, has confirmed that it will provide support for at least 12 months following the approval of these financial statements.

### **Accounting convention**

The financial statements have been prepared under the historical cost convention, and in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1<sup>st</sup> January 2015) – (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Companies Act 2006 and the Charities Act 2011.

Burnley Leisure meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

### **Reconciliation with previous Generally Accepted Accounting Practice**

In preparing the financial statements, the trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 the restatement of comparative items was required.

No items have been noted which require restatement in the comparative period.

### **Incoming resources**

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy. Income is the amount derived from ordinary activities, and stated after trade discounts, other sales taxes and net of VAT.

Grants receivable are accounted for when due. Income is deferred when it is received in advance of the period to which it relates.

Investment income is recognised on a receivable basis.

### **Resources expended**

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include audit fees and costs linked to the strategic management and administration of the charity.

All support costs are allocated between the activity expenditure categories on a basis designed to reflect the use of the resource. Support costs are apportioned on an appropriate basis e.g. time spent, floor areas, or estimated usage.
